

Jr. Kiddie Campus March Newsletter
Miss Kristyn and Miss Shelly
Monday/Wednesday A.M. Room 3

February Favorites:

The children really enjoy the sensory table we have in the classroom. During the week of Valentine's we had plastic cups and different colored buttons in the table. The children loved scooping up the buttons and sorting them by color. The shape turtles in the water were a favorite as well. They enjoyed predicting if the groundhog would see his shadow or not. The class voted that the groundhog would, but I think we all hope spring will shortly be on its way. We had lots of fun counting coconuts on the palm trees for Chicka Chicka 123. I have noticed how much the children enjoy doing various counting activities.

March Themes:

Transportation

Space

Rainbows and St. Patrick's Day

Oceans of Fun

Book Orders:

Book orders for March will be due on Wednesday the 3rd. As always you can place your order on line at www.scholastic.com/bookclubs. The **user name** is **kdroom3** and the **password** is **bookorder**. You also have the option of turning in your order to me and I will mail the orders in.

Field Trip:

March 10th

Our field trip will be to the Helen Plum Library for story time. Please refer to the handout given in class for all information concerning the field trip.

Vision and Hearing Screening:

We will be having vision and hearing screening on Monday, March 15th with rescreening on April 7th for anyone who was absent.

Spring Break:

There will be no school on the 29th and 31st of March due to spring break. Preschool will resume on the 5th of April.

*The children are having lots of fun with either bringing the All About Me bag or one of class books home. Please remember these are due back the following class time. This way everyone will get a chance, since we are only in school two days a week.
