

**MARCH 2010
CAMPUS NEWS**

2010-11 KIDDIE CAMPUS CONFIRMATION CARDS: If you have registered for the 2010-11 school year and have not received a confirmation card, please contact Nanette Anderson, Preschool Coordinator at 620-7322.

SPOTS STILL AVAILABLE: 2010-11 Kiddie Campus registration is underway. Spots are still available in some classes.

SIGN-IN LOGS: Please leave a number where you can be reached in case of an emergency and remember to turn on your cell phones if that is the number you leave for us. Thank you.

FIRE LANE: In addition to being illegal it is also a hazard to our little participants for any cars to be in the fire lane. Children walking between cars cannot be seen by oncoming traffic. Please, Please do not park in the fire lane even for a minute.

**TAKE TIME FOR TOTS DAY
Saturday, March 27
9:00 a.m.-11:30 a.m.
AT SKRC**

Please join us for a morning full of activities for families with young children.

HEARING AND VISION SCREENING: On Monday, March 15 and Tuesday, March 16 the DuPage County Health Department will be at SKRC to administer hearing and vision screenings for our preschool students. In the past a number of children were found to have a hearing or vision issue that needed further evaluation from a specialist. If your child wears glasses, his/her eyes will not be tested.

FYI: Environmental print is an important early reading concept. Your preschoolers are probably starting to recognize words in the environment such as EXIT, STOP, K-MART, PIZZA etc. When you are out and about make a game of picking out letters and simple words. When at home help your child make signs for around the house, such as Jimmy's Room, Toy Room, Kara's tower etc.

REMINDER: Spring break is March 29 – April 2.
