

**NEWS FROM ROOM #1  
MISS NANETTE AND MISS SUE**

**Thank you to everyone for the thoughtful cards and delicious gifts we received for Valentine's Day. We appreciate your kindness.**

**PARENT INVOLVEMENT:** Thank you to Ed and Sandy Karl (Danny's parents TTH class), Keeley Pettinger and Christina's grandmother (Christina's mom TTH class), Coreen Koski (Kaylee's mom TTH class) and Maria Zuccherro (Sean's mom MWF class) for spending time in our classroom in February.

**Please let us know if you want to visit our classroom. We are always happy to have you here.**

**FEBRUARY HAPPENINGS:** During the month of February we incorporated social studies into our Valentine's Day theme. After making Valentine cards, we addressed the envelopes (the children practiced saying their own addresses) and we sent them home. We hope everyone received their special Valentine.

**The Fire Fighters paid their last visit in February to the TTH class and presented the children with Jr. Fire Fighter certificates and badges. The MWF class will receive their certificates and badges in March.**

**FAVORITE ACTIVITIES:** During Valentine week we played Heart Letter BINGO. The children were excited when they could match the letter called to the letter on their card and then mark it with a heart. Strategically planned by the instructors, the children all reached BINGO at the same time. Everyone was a winner. We took an adventure into space and saw many things including meteors, shooting stars, planets, sun and of course the Milky Way. We had fun painting and naming our very own planets. We talked about the different sizes of the planets and named each one. The Storytelling Blocks were also a hit. The children enjoyed choosing the blocks they wanted to use for their stories and letting their imaginations go wild. We hope you enjoyed the stories as much as we did. Our pizza project was a hit. The children colored their very own pizza box cover, practiced writing pizza related words, told us how to make a pizza and created a one of a kind pizza (non edible) to put inside.

**FIELD TRIP TO MR. Z's:** Tuesday, March 2 and Wednesday, March 3 we will be attending a field trip to Mr. Z's Grocery store on Main St. for a tour of the store.

**SHOW AND TELL:** Please bring two objects that rhyme on Thursday, March 11 or Friday, March 12.

**MARCH THEMES:** Grocery Store, Music and Rhyme Time, Silly Science and Spring.
